Member Privileges and Benefits

The Connecticut Society of Health-System Pharmacists represents the professional interests and provides professional development for CT pharmacists, educators, pharmacy students and pharmacy technicians. In particular, we focus on the concerns and needs of those who work in (but not limited to) medical facilities such as hospitals and health centers. Our goal is to create a positive and productive practice environment resulting in excellent service for both our health care colleagues and our patients.

Representation

The Society works for you so that you may work in Connecticut.

- CSHP advocates for the professional interests of practitioners in CT before legislative and regulatory decision makers. We even have a lobbyist on yearly retainer to look out for us.
- We encourage our members to become involved in our grassroots initiatives that can enhance their ability to practice and affect the future of their profession.

Communications

The Society gathers and conveys important information about CSHP activities, practice and professional issues.

- The Society communicates through its *News Brief*, pharmaceutical alerts, legislative updates and Facebook page. Most communications are broadcast so a current e-mail address is essential.
- CSHP web site featuring weekly updates of professional and educational opportunities.

Continuing Education

CSHP plans topical continuing education programs to help you stay current and maintain your credentials.

- The Society seeks grants and sponsorship support to cover all or part of the cost of presenting these programs.
- As a member, you receive complimentary or reduced rate registration for the continuing education programs and discounted registration for Catch the Wave, the TriState Health-System Pharmacy Educational Summit and other conferences we may offer.

Networking

CSHP offers a variety of opportunities to network with and learn from other professional pharmacists in addition to our educational meetings. As a member, you may participate on ...

- CSHP committees and initiatives including task forces for residents, technicians, Associate members
- 24-hour Helpline: (860) 674-7984 Confidential assistance - pharmacist helping pharmacists
- We plan social events so that you can meet other professionals in a more casual environment

Leadership and Professional Development

CSHP offers its members opportunities to develop their leadership skills and enhance their resumé's.

- As a member, you are encouraged to serve on committees and in leadership positions that effect the direction of the Society and how we represent our members.
- Volunteers learn about Board responsibilities and the essentials of non-profit governance.
- Exhibit a poster presentation at the annual Catch the Wave conference, or contribute a case study or topical article to the *News Brief* or our web site.
- CSHP's Awards program recognizes pharmacists who have displayed professional excellence.

Service

CSHP office is staffed by professional association managers who can assist you on weekdays during regular business hours. Do not hesitate to contact them.
